

Meeker-McLeod-Sibley Healthy Communities Funding Opportunity Request for Proposals

The Healthy Communities Leadership Team has a limited amount of funding available to support local community projects. Applications are due June 12, 2019 by 4:00 pm and must be submitted electronically to funding@mmshealthycommunities.org .

Up to \$4,000 is available during this round of funding. Grants requests may not exceed \$1,000 and grant funds need to be spent by June 30, 2020. Eligible applicants are required to use the funds to advance at least one of the 6 priority areas identified in the Meeker-McLeod-Sibley Community Health Needs Assessment, completed in June of 2016.

The priority areas are:

- Obesity prevention
- Mental health
- Binge drinking
- Senior health
- Access to care
- Choices, behavior, culture (Health Equity)

For more information on the Community Health/Needs Assessment or priority areas, please visit www.mmshealthycommunities.org.

Summary of project

Give a brief summary of your project (100 words or less).

Describe your project.

Please include the following (750 words or less).

- How your project aligns with at least one (or more) of the 6 priority areas
- Number of persons you expect to reach with your project
- The outcome/impact you expect to have from your project and how you plan to measure/evaluate the impact. Explain the benefits that your target population will experience from the project.
- Other partners involved in this project and how they are supporting the project
- Project Timeline (Funds need to be spent by June 30, 2020)
- Describe how you plan to sustain your project.

Project Budget

Please identify the amount of money you are requesting from MMS Healthy Communities with a brief explanation of what specific project costs the funds from this award will be used for.

If applicable, please include any additional funding sources and amounts going to this project with a very brief explanation of what those funds will be used for.
